# Playing Shirts

*Our home shirts are predominantly white and our away shirts are pre-dominantly black. To fulfil league requirements, your shirt must have your league number clearly visible on the back.*

Our bespoke Knowle-branded playing shirts are supplied by Kukri. They are made from S-Spire 145g 100% polyester fabric that is quick drying, cool, light, comfortable and colourfast with moisture management properties.

They are available in ladies sizes from 4 - 22, and girls sizes from 3-4yrs to 13-14yrs, and with short, regular or long body lengths. They're a tailored, reasonably fitted style.

**Due to the bespoke design, there's a minimum order quantity and the delivery time from Kukri is between 8 and 12wks. We order in bulk around once a season, so tend to have the most in-demand sizes available for purchase.**

# Playing Skorts

*Knowle wear bottle green skorts, which are available from a range of hockey sportswear manufacturers, eg. TK, ProStar, Grays, and can be purchased online pretty easily.*

Reece Fundamental skorts are available from the club. They're made from a combo of polyamide and elastane (92%/8%), for improved comfort, moisture-wicking and fast-drying. Designed with flat seams, they're a good comfortable fit.

They are available in the following sizes.

# Playing Socks

*The Knowle home kit includes maroon socks, and the away kit includes black socks.*

Stanno socks are available for purchase through the club. These are made from lightweight, polypropylene fibres with moisture wicking properties. The sock has a mesh knitted backside and new anatomic foot, with a left-right system, for improved fitting and comfort.

They are comfy, wash well (at up to 60 degrees) and hold their shape well, so are easy to get on over shin pads!

They are available in five sizes.

# Trousers

*Kukri no longer offer personalisation of their stadium pants and have increased their cost so we've looked elsewhere. Our hoodie suppliers have started doing 'Stadium Pants', so we're going to adopt those as our 'Knowle trousers' going forward. They're pretty much the same style with the club logo embroidered, with slightly longer leg zips, also come in a women's cut as opposed to just unisex, and are cheaper.*

# Order Details

We place orders with Kukri for shirts up to twice a year - usually around March and October - due to the longer production time and minimum order requirements.

There's usually be a supply of shirts in Knowle stock available for immediate purchase, but these are likely to be in popular sizes (10 - 14), so if you're after anything else be aware you may have a longer wait.

Other items can be requested at any time and orders will be placed on a more regular basis determined by demand to economise on postage, etc.

Prices are correct at time of publishing but are subject to change.

Payment is required prior to orders being placed with suppliers. Upon receipt of your order Zoe will send you confirmation and payment details.

**To order kit items**, contact Zoe via email on [zmhill18@gmail.com](mailto:zmhill18@gmail.com) with your garment, size, colour and personalisation requirements.
